

Curriculum Vita

Personal Details

First Name: Mohammad

Last Name: Garak Yaraghi

Date of Birth: October 7, 1950

Place of Birth: Isfahan, Iran.

Gender: Male

Marital Status: Married

Nationality: Iranian

Citizenship: IRAN

Phone Numbers: Cell: +98 9131160283 Fax: +98 311 6241116 Home: +983116254426

E-mails: garakyaraghi@med.mui.ac.ir

Language Skills: Persian, English, French

Work: Department of Cardiology, Noor Hospital, Isfahan University of Medical Sciences, Isfahan, IRAN.

Home: 19 Nooshin Cul-de-Sac, Maryam Alley, Khaje-Petros Street, Postal Code: 8175773731, Isfahan, IRAN

Associate Professor of Cardiology, Isfahan University of Medical Sciences (IUMS)

EDUCATIONS:

- ❖ Membership of British Cardiac Society since 2005
- ❖ Membership of British Society Of Echocardiography since 2005
- ❖ Membership of Iranian Heart Association (IHA):1995 up-to now
- ❖ 1988-1993: Residency Training in Cardiology, Shahid Radjaie Hospital, Tehran University of Medical Sciences, Tehran, IRAN (Cardiology Specialty Degree, Iranian Board of Cardiology, 1993)
- ❖ 1970-1977: Isfahan University of Medical Sciences, Isfahan, IRAN (M.D. Degree, 1977)

WORK EXPERIENCES:

- ❖ 2010 – up-to now: Associate Professor of Cardiology, Noor Hospital, Department of Cardiology ,Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 2007-up-to now: Head of Committee for Faculty Development, Director of Educational Development Office(EDO), Medical Faculty, Isfahan University of Medical Sciences, Isfahan, IRAN

- ❖ 2004 – 2007: Director of Educational Development Office(EDO), Medical Faculty, Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 2002-2006: Vice President in Clinical Educational Affairs of Medical Faculty of Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 2001-2005: Head Of Department of Introduction to Clinical Medicine (ICM), Medical Faculty, Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 1999- 2001: Vice President of Department of Internal Medicine, Medical Faculty, Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 1996-1999: Director of Department of Cardiology; St. Alzahra Hospital, Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 1996-1999: Chief of Department of Internal Medicine, St. Alzahra Hospital, Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 1996-2003: Head of department Of Echocardiography of St. Alzahra Hospital of Isfahan University of Medical Sciences, Isfahan, IRAN
- ❖ 1994 - 2010: Associate Professor of Cardiology, St. Alzahra Hospital, Department of Cardiology ,Isfahan University of Medical Sciences, Isfahan, IRAN

INVITED ABSTRACT PRESENTATIONS:

1. The 6th Asia Pacific Medical Education Conference in Singapore on 22 February **2009**. The feed-back of faculty members to descriptive viewpoints of learners: report of an experience.
2. Final Program the 2nd Biannual international Heart Failure summit may 13th -15th **2009** SBMU nternational Conference Hall, Tehran-Iran. Vitamin D improves the LV ejection fraction and function class of patients with heart failure; a randomized controlled study.
3. The 6th Asia Pacific Medical Education Conference in Singapore on 22 February **2009**. The annual programming, a step toward faculty member evaluation in six fields of certified duties
4. IntelInternational Congress on Implementation of WFME Standards in Curricula of Undergraduate Medical Education Kish Island,Iran, November **2008**. Introducing the Organization Chart of Educational Development Office at Medical School, Isfahan University of Medical Sciences.
5. Syncope in Patients with Mitral Valve Prolapse; 13th congress of Iranian Heart Association in collaboration with the University of Vienna, October 8th to11th , **2002** Tehran- IRAN

6. Economic State, Alongside Other CAD Risk Factors; 13th congress of Iranian Heart Association in collaboration with the university of Vienna, October 8th to 11th , **2002** Tehran- IRAN
7. Panic Attack in Patients with Mitral Valve Prolapse; 13th congress of Iranian Heart Association in collaboration with the university of Vienna, October, 8th to 11th , **2002** Tehran- IRAN
8. A Study of the Prevalence of Migraine Headache in Patients with Acute Myocardial Infarction; 13th congress of Iranian Heart Association in collaboration with the university of Vienna, October, 8th to 11th , **2002** Tehran- IRAN
9. Evaluation of the Relation between ST Segment Depression during Exercise Test and Extensiveness of CAD; 13th congress of Iranian Heart Association in collaboration with the university of Vienna, October, 8th to 11th , **2002** Tehran- IRAN
10. Addition of V4r Lead Increase Diagnostic Efficacy of Exercise Test; 13th congress of Iranian Heart Association in collaboration with the university of Vienna, October, 8th to 11th , **2002** Tehran- IRAN
11. Evaluation of Frequency of Cigarette Smoking in Patients with Aortic Stenosis or Sclerosis in Comparison To Control Group; 13th congress of Iranian Heart Association in collaboration with the university of Vienna, October, 8th to 11th , **2002** Tehran- IRAN
12. Recruiting general practitioners for teaching normal physical examination; First International Conference on Reform and Change Management in Medical Education, Nov. 30th to 2nd 2002 Tehran, Iran
13. A course on "Pathophysiology of signs and symptoms"; First International Conference on Reform and Change Management in Medical Education, Nov. 30th to 2nd **2002** Tehran,
14. Iran
15. Normal physical examination; First International Conference on Reform and Change Management in Medical Education, Nov. 30th to 2nd **2002** Tehran, Iran
16. Residents as clinical teacher; First International Conference on Reform and Change Management in Medical Education, Nov. 30th to 2nd **2002** Tehran, Iran
17. Textbook as educational resource; First International Conference on Reform and Change Management in Medical Education, Nov. 30th to 2nd **2002** Tehran, Iran
18. Determination of Frequency of Post MI Pericarditis (Q Wave and Non Q Wave); 14th International Congress of Geographic Medicine, Nov. 5th to 8th **2001** Shiraz- IRAN
19. XVII World Congress of the International Society for Heart Research (ISHR) July 6th - 11th , **2001**, Winnipeg, Manitoba, CANADA, Presentation of posters of 2 Abstracts:

- ❖ QTc Prolongation in Diabetic Patients with Cardiac Autonomic Neuropathy in comparison with Diabetic Patients without Cardiac Autonomic Neuropathy
 - ❖ Effect of Magnesium Sulfate in patients with Myocardial Infarction in Comparison with the Control Group
20. XXXVth Middle East Medical Assembly (MEMA) May 4th – 7th, **2000**, Beirut, Lebanon:
- ❖ Evaluation Of Effectiveness Of Color Doppler Sonography in Comparison With Venography In Diagnosis of DVT
 - ❖ Effects of Captopril and Enalapril on Pulmonary Function Test
 - ❖ Concurrence of Mitral Valve Prolapse with Prolapse of Other Heart Valves
21. Waist Hip Ratio is An Independent Risk Factor For Coronary Artery Disease, 12th congress of Iranian Heart Association in collaboration with Mayo Clinic & The Cleveland Clinic Foundation, October 31st to November 3rd **2000** Tehran- IRAN
22. Comparing Frequency Distribution of Depression in Patients With and Without Mitral Valve Prolapse in Isfahan; 12th congress of Iranian Heart Association in collaboration with Mayo Clinic & The Cleveland Clinic Foundation, October 31st to November 3rd **2000** Tehran- IRAN
23. Frequency Of Right Ventricular Infarction in Association With Anterior Wall Myocardial Infarction; 12th congress of Iranian Heart Association in collaboration with Mayo Clinic & The Cleveland Clinic Foundation, October 31st to November 3rd **2000** Tehran- IRAN
24. Evaluation of Migraine Headache in Patients with Mitral Valve Prolapse; 12th congress of Iranian Heart Association in collaboration with Mayo Clinic & The Cleveland Clinic Foundation, October 31st to November 3rd **2000** Tehran- IRAN
25. American Society of health system Pharmacists USA (ASHP); 6-10 Dec. **1998** Drug Related Hospital Admissions in Iran.
26. Echo Doppler Estimated MV Area in Adult Population in City Of Isfahan, IRAN, 1ST Mediterranean Congress Of Prevention Of Cardiovascular Diseases May 2nd **1997**, Isfahan, IRAN
